Tree Replacement Programs

Rancho Sahuarita is serviced by Trico Electric Cooperative and Tucson Electric Power (TEP), both companies offer 5 gallon trees for their customers at highly discounted rates to help reduce electric bills. Contact your electric provider directly to find out more about how you can take advantage of these programs. ONLY TRICO CUSTOMERS MAY PARTICIPATE IN THE TRICO PROGRAM as well as ONLY TEP CUSTOMERS MAY PARTICIPATE IN THE TEP TREE PROGRAM. PLEASE REFER TO THE APPROVED PLANT LIST PRIOR TO PLANTING.

Trico Electric Cooperative Trees: Operation Cool Shade www.trico.coop or Call 744-2944 X 16

Tree orders are taken on line on a first come first serve basis. There are various trees to choose from and all trees come in a 5 gallon container (heights may vary). The cost per tree is \$20.00 with additional discounts available. Purchase your tree today at www.trico.coop (only a limited number of trees are available).

Tucson Electric Power Trees for Shade program www.tep.com

Homeowners who receive service from TEP can receive trees (some up to 6 feet tall) for \$8.00 each. The trees must be planted on the east, west or south side of their home. A home shade tree application must be filled out (available on line www.tep.com).
