

Email for Blended (Simulation) Learning Students

Dear Student,
You are scheduled for the following American Red Cross course:

This blended learning course includes an online portion and an instructor-led classroom skills session. The online portion must be completed before attending the in-class portion. Most learners complete the online portion in approximately 7 hours. However, your experience may vary widely based on several factors including your PC, internet speed and previous training. I recommend beginning the online session as soon as possible to ensure you have completed it prior to the in-person skill session. The in-person classroom skills session is scheduled for: All Sessions Mandatory
